MEMPHIS HIGH SCHOOL THEATRE FELLOWSHIPS

*return this completed form to Professor David Mason, Chair of Theatre
by Monday, November 14th
McCoy 133, masond@rhodes.edu*

Under supervision of Professor Mason and Leslie Barker of Theatre Memphis, fellows will collaborate with Central High School and Melrose High School students in original performance work.

Fellows will receive compensation for five hours of work each week, on average, for eleven weeks during the semester. Fellows will work, largely, at Central and Melrose high schools, but it is expected that fellows' semester activity will include training and creative work on campus. The semester schedule will be developed in consultation with selected fellows, in order to work as much as possible around fellows' other responsibilities.

Fellows will collaborate with Memphis high school students on original performance pieces. Collaborations will culminate in public performances.

Rhodes students need not be Theatre majors or minors to participate.
