## Post-Graduation Survey - Class of 2024

### *Introduction*

Each year, the Center for Career and Professional Development conducts a survey to determine the professional activities of the graduating class. Seniors were encouraged to complete an online survey prior to graduation. Additional information was collected throughout the following year. The Center for Career and Professional Development staff contacted alumni through emails, phone calls, and different forms of social media. Of the 392 undergraduates and 10 Master’s graduates in the 2024 class, the Center for Career and Professional Development was able to obtain information on 368, representing a 91.54% knowledge rate. This class included **5 Fulbright and one Watson** recipient.
