Post-Graduation Survey - Class of 2020

Introduction

Each year, the office of Career Services conducts a survey to determine the professional activities of the graduating class. Seniors were encouraged to complete an online survey prior to graduation. Additional information was collected throughout the following year. The Career Services staff contacted alumni through emails, phone calls, and different forms of social media. Of the 453 graduates in the Class of 2020, Career Services was able to obtain information on 426, representing a 94.04% knowledge rate. This class included one **Fulbright** recipient, one **Emerson Hunger Fellow**, one **Crop Trust Fellow**, and one **Watson fellow**.

***"Other" refers to students who were in a job search process or applying to graduate school but had not made a commitment at the time of the survey. It also includes those who are traveling, pursuing a second bachelor's degree, or taking post-baccalaureate courses in preparation for graduate school*

****Employed & Graduate School**

*****Due to the impact of COVID-19 on the job market, the number of students in this category (especially those labeled "currently seeking employment") may be higher than previous years. Those students have shown active participation in the job market and are in the process of searching for employment opportunities.**
