

Welcome to Your Exclusive Specialty Pharmacy Network

Here's what you need to know.

Your benefits include an exclusive specialty pharmacy for your eligible medications. That means you'll use CVS Specialty® to fill those prescriptions. If one of your prescriptions is affected, we'll send you a letter to make sure you don't miss a thing.

The Exclusive Specialty Pharmacy Network gives you great benefits including:

- › **Delivery to your home.** Your eligible prescriptions will show up at your door on time, every month. That's one less errand for you to run.
- › **Help when you need it.** You'll have 24/7 access to a team of pharmacists and nurses trained to support you during treatment.
- › **You may also pick up your specialty medication at any CVS retail pharmacy.**

What's next?

We'll let you know if any of your medications qualify and send you detailed instructions on how to get started with your new benefit.

We look forward to helping you get the specialty medications you need through CVS Specialty.
